

**BERGEN
COUNTY'S**

TOP DENTISTS

2021

TO HELP YOU FIND GREAT DENTAL CARE, BERGEN magazine commissioned Professional Research Services (PRS) of Troy, Michigan to conduct a peer-review survey of hundreds of practicing and active dentists across the county. Dentists were asked to choose which of their peers they consider the very best, across seven different practice areas—endodontics, general dentistry, oral and maxillofacial surgery, orthodontics, pediatric dentistry, periodontics and prosthodontics.

All the final honorees were fact-checked with the State of New Jersey and the New Jersey Division of Consumer Affairs License Verification System. The highest vote getters within each specialty who are in good standing with the state are included here in the 2021 "Bergen County's Top Dentists" list.

There are many other good dentists practicing in Bergen County who may not be included on this list; we recommend that you consider "Bergen County's Top Dentists" and other resources before scheduling your next dental procedure.
